

CONSIDER CARMEL IN YOUR WILL

If you are considering leaving a gift to Carmel School in your Will, thank you. Carmel School is committed to the education and development of future generations of the Perth Jewish community, and with your support we can make this happen. A donation to the School impacts not only the current staff and students, but can have a lasting impact that ripples through generations of Carmel students. Tuition fees alone will not secure the long-term future of Carmel School, as they pay only for operational costs. The School's facilities that exist today were achieved through the generosity and foresight of past and present community members.

We would love to talk to you and hear about the areas of our work you would like to support. Bequests and donations can go to a range of initiatives at the School, including specific academic programs, scholarships, building funds and the Jewish Education Foundation. All donations are gratefully received and, together, contribute to the ongoing prosperity and success of our School.

Considerations

Here are some things to consider:

- Family and loved ones should always come first in your Will
- Leaving a gift to Carmel School is easy to do - you can add a clause to your Will pertaining to your intended gift or add a codicil to an existing Will
- We always recommend you seek advice from a Solicitor when drafting your Will. The wording is very important and your solicitor can advise you
